

HANDS ACROSS CALIFORNIA

CITY COLLEGE OF SAN FRANCISCO

SUNDAY, APRIL 17, 2011

Imagine a human chain of Community College supporters across San Francisco and all of California. Join us on Sunday, April 17th from 1:30 - 2:30 p.m. to hold hands and to make history.

Let's stop the budget cuts and fee increases. Help fight for California's future! We need to unite to show that community colleges are essential to our state's future.
