

The Client Advisory Committee Announces Person of the Month: Peter Magowan

The CAC has voted Peter Magowan Person of the Month for his role as an advocate for people with developmental disabilities. As Chairman and CEO of Safeway and later as Managing General Partner of the San Francisco Giants, Mr. Magowan recognized the value of a diverse workforce and championed hiring people with autism, Down syndrome, cerebral palsy and other disabilities. His ongoing efforts to raise awareness about the rights of people with developmental disabilities to live full lives in our community continue to influence San Francisco employers—and the greater public—paving the way for greater inclusion of clients of The Arc San Francisco and all individuals with developmental disabilities.
